

Telogy has a large selection of quality refurbished test equipment at deeply discounted prices. Enjoy big savings on Oscilloscopes, Spectrum Analyzers, Network Analyzers, Logic Analyzers and more. Telogy has savings of over **90% off** list prices and test equipment from leading manufacturers such as Agilent, EXFO, Ophir, Rohde & Schwarz and Tektronix. Buy used equipment with the same confidence as buying new because all equipment undergoes a 17-point refurbishment process and includes a limited 12 month warranty. To view a complete listing of all quality used equipment for sale, go to WWW.TELOGYLLC.COM

7 day acceptance period. Availability and price are subject to prior sale or rental of equipment.
